KV2 MEDIUM PARTY PACKAGE

Pro audio sound, at an affordable price. This system is ideally for a medium sized room with up to 120 guests. The package comes with 2 powered 10 inch loudspeakers and a high-powered subwoofer. All amplifiers are in-build into the speakers cutting down on the space required, great when space is limited. Its ideal for anything from a house party to a small wedding band. All the required cables and bits to setup the system are included, some audio knowledge is required.

Kv2 EX10 Active Speaker

The EX10 is a very compact 2-way, high-output, full range active speaker system. Despite its 10" woofer and remarkably small footprint it successfully takes on many larger 12in models and is favored by audio visual and rental companies all over the world for its sheer quality and tremendous output. On-board electronics ensure fast, easy set up and complete control with electronic crossovers, phase alignment, equalization and speaker protection integrated into the EX10's amplifier module.

Kv2 EX2.2 Active Bass

The EX2.2 is a double 12in, compact, active subwoofer system. Onboard electronics include a stereo crossover with high pass outputs and full overdrive protection. Featuring KV2 Audio's switching amplifier technology, precision manufactured woofer designs and a high efficiency, twin chamber acoustic design, the EX2.2 delivers tight, fast, controlled bass response at very high output levels from a small cabinet footprint.
