***SYSTEM PACKAGES**

KV2 MEDIUM PARTY PACKAGE

Pro audio sound, at an affordable price. This system is ideally for a medium sized room with up to 120 guests. The package comes with 2 powered 10 inch loudspeakers and a high-powered subwoofer. All amplifiers are in-build into the speakers cutting down on the space required, great when space is limited. Its ideal for anything from a house party to a small wedding band. All the required cables and bits to setup the system are included, some audio knowledge is required.

Kv2 EX10 Active Speaker

The EX10 is a very compact 2-way, high-output, full range active speaker system. Despite its 10" woofer and remarkably small footprint it successfully takes on many larger 12in models and is favored by audio visual and rental companies all over the world for its sheer quality and tremendous output. On-board electronics ensure fast, easy set up and complete control with electronic crossovers, phase alignment, equalization and speaker protection integrated into the EX10’s amplifier module.

Kv2 EX2.2 Active Bass

The EX2.2 is a double 12in, compact, active subwoofer system. On-board electronics include a stereo crossover with high pass outputs and full overdrive protection. Featuring KV2 Audio’s switching amplifier technology, precision manufactured woofer designs and a high efficiency, twin chamber acoustic design, the EX2.2 delivers tight, fast, controlled bass response at very high output levels from a small cabinet footprint.

Soundcraft M8 Mixer

The Soundcraft M8 is exceptionally easy to use. The control surface will be immediately familiar to anyone who has used a mixer before and will quickly become second nature even to a novice. All inputs, EQ, auxes, panning and level controls are presented clearly, saving you time when creating your mixes and providing you with more time to spend on achieving the best sound. High quality 100mm faders combine with signal and peak LEDs on every channel and high resolution output metering places the operator in total control. Youll find no unsightly screw heads anywhere on the M Series front panel to get in the way of your mixing, while a durable, multi-coat paint finish, ensures that a Soundcraft M Series console always looks as good as it sounds.

8 mono inputs, 4 stereo inputs, 4 stereo returns

Other systems are also available. Crew can supplied on request, please email us for a quote for crew. If you would like to discuss feel free to contact us hire@orbitalsound.com
