MIXING CONSOLES

YAMAHA RIO3224D 32 INPUT 16 OUTPUT & 4 AES OUT STAGE BOX

R Series I/O racks employ Dante network audio protocol for exceptional flexibility and freedom in setup and placement, while delivering natural, musical sound that brings out the full sonic potential of mixing consoles and other system components. The 5U size Rio3224-D provides 32 ins, 16 outs, and four AES/EBU outputs.
