17in COLOUR FLATSCREEN CCTV MONITOR*

The stylish Vista VFS-200 (Hi-Lite) range of TFT monitors combine high-performance with affordability. The 17‰ model complement a 21.5‰ widescreen option and combine 700TVL resolution, a fast 5mS refresh time, 1000:1 contrast ratio, and an HDMI connection to provide a crystal-clear display for either CCTV or PC imagery. In addition to an advanced 3D comb filter to improve sharpness, the VFS-200 range produces exceptional image quality.
