MICROPHONES

SHURE SUPER 55 SUPERCARDIOID CHROME PERIOD MICROPHONE

How do you set a classic scene for a modern audience? With a time-honoured look that brings the clean, pure sound of now. The Super 55 brings the highest degree of vocal quality to the stage in a vintage, stand-mounted microphone.

The Super 55 is suited specifically to vocal applications. Therefore, typically live performance, public address as well as for broadcasting, recording, and sound

applications where a stand-mounted microphone with a classic look is desirable.

Features:

- Supercardioid Polar Pattern
- Iconic chrome-plated design with vibrant blue color additions
- Tailored frequency response for natural vocals and speech
- High gain-before-feedback and excellent off-axis rejection
- Shock-mounted cartridge minimizes handling noise and ensures quiet operation
- Rugged die cast casing for reliability under rigorous conditions
- Self-tensioning swivel mount, permits tilting through 45 degrees forward and 80 degrees backward
