MICROPHONES

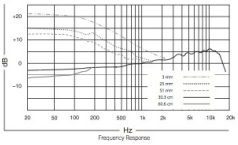

SHURE BETA 98D/S SUPERCARDIOID CONDENSER MICROPHONE

For toms, snares and percussion instruments, no other microphone stands up to the performance and versatility of the Beta 98D/S. The Beta 98D/S is a high performance mini-condenser microphone designed to excel at professional sound reinforcement or recording. Its ultra-uniform pickup pattern provides high gain-before-feedback and excellent rejection of unwanted noise. With the unique A98D microphone drum mount (supplied), no other rim-mounted microphone stays more securely in place. This hardware has been redesigned for quicker, more secure rim-mounting without the need for a drum key. Its flexible gooseneck lets you position the mic in practically any configuration, so you get a virtually unlimited choice of sound options.

Features:
• Wide dynamic range for use in high SPL environments
• Compact design reduces stage clutter Detachable cable for easy storage
• Legendary Shure quality, ruggedness, and reliability Applications:
• Theatre
• Conference
• Cinema
